Where do my additional contributions go and what do they benefit?

Maintenance Program
 The Lodge's five year plan is established to manage funds ensuring general Lodge and Hall upkeep and maintenance, updating internal systems such as plumbing and electric; and implementation of specific initiatives including the current Hall Refresh Project, energy efficient LED lights in the building, upgrading television systems, etc..

The Elks National Foundation (ENF)
 The ENF is able to help Elks build stronger communities thanks to contributions from donors, such as yourself. The mission of ENF is to help Elks build stronger communities by investing in communities where Elks live and work. The fund sends students to college, meets the needs of today's veterans, supports the charitable work of the state Elks associations, and funds projects that improve the quality of life in local Elks communities.
